## **Bio Shortened.**

Emmy nominated, Marty Goetz has been called a 'Modern Day Psalmist'. His songs are scriptures beautifully set to music, leaving listeners spiritually moved, inspired and edified.

Marty became a 'Jew born anew' when, provoked by the increasing number of 'born agains' in his life, he began reading the Bible, "looking for loopholes".

A few short weeks later, sitting alone one night on a friend's balcony, he realized with certainty that "the Jesus of the New Testament was the Messiah my Jewish people have been longing for."

He has been recording music steadily since 1985, and today lives outside of Nashville, Tennessee with his wife Jennifer, who also is a Jewish believer in Jesus. They have one married daughter, Misha, who is herself, a worship leader and recording artist.
